

DECLARATION OF ALLEN STERN

1. My name is Allen Stern. I am over the age of eighteen (18). I reside in the Commonwealth of Pennsylvania. I have direct knowledge of the facts contained herein and am competent to be a witness in this dispute. I am President and principle shareholder of Triad ML Marketing, Inc. ("Triad") and King Media, Inc. ("King Media"), both of which are major creditors of Donald Barrett and his companies.
2. In early 2002 Barrett, President of Direct Marketing Concepts ("DMC"), hired Triad and King Media as service providers to DMC to supply television media buying services and to coordinate the fulfillment portion of the order process for the Robert Barefoot Calcium Factor infomercial. Neither I nor my companies have or have ever had any involvement with the Supreme Greens product or promotion. Moreover, I have no direct knowledge of that product or program.
3. As part of the services provided by Triad to Barrett and DMC, we ordered products, hired fulfillment companies, provided credit card processing, and collected funds, which were distributed according to verbal agreements with Barrett. Each week, my companies' accounting staff would summarize the prior week's order activity and provide an estimate of the funds available for distribution to DMC.
4. Barrett provided directions regularly on where we were to send any payments. On various occasions, funds were sent by wire or check to DMC, Direct Fulfillment, B.P.

Marketing and directly to Barrett personally. Copies of examples of these transactions are attached.

5. On at least one occasion in the spring of 2002, a review of the activity and payments was faxed to DMC. The page was picked up and viewed by Barrett's business partner, Robert Maihos. Barrett called me and instructed me to make sure no such activity review was sent to his office without his ability to immediately retrieve that information. He stated he did not want Maihos or anyone else in his office to see that information.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.

Allen M. Stern
